

## For Immediate Release

# Noralta Lodge Ltd. Acquires North Country Catering Ltd.

**EDMONTON, AB – July 20, 2017** – Noralta Lodge Ltd., Alberta’s leading provider of remote accommodations to the oil & gas industry, has announced its acquisition of North Country Catering Ltd.

Effective July 29, 2017, the current operations of North Country Catering Ltd. will be assumed by Noralta Lodge and will continue to operate under the name North Country Catering.

“The acquisition of North Country Catering Ltd. is exciting for us as it brings Noralta a key operating model, significant operating assets, and a well-respected camp & catering brand, which represents an important growth area for us” says Noralta Lodge COO, Dave Bulloch. “We look forward to continuing to deliver the premium camp and catering services provided by North Country Catering, and plan to maintain continuity for their guests and clients by maintaining employment with current team members who are operating their facilities.”

North Country Catering, founded in 2000 with a single 120 room camp, has since grown to become a highly reputable camp and catering operator and manager in the energy services sector.

Noralta Lodge, which has been known for their “Build-Own-Operate Lodges”, has expanded into the client-owned permanent and temporary camp and catering market over the last three years. This acquisition marks a significant acceleration in growing market share within the industry and will create synergy by combining Noralta Lodge’s exceptional guest services and quality offering with North Country Catering’s premium services niche experience and knowledge of operating client-owned facilities.
