

## Noralta Lodge Named One of Canada's Best Managed Companies

EDMONTON, AB – March 9, 2018

[Noralta Lodge](#) has been recognized for overall business performance and sustained growth with the prestigious [Canada's Best Managed Companies](#) designation. Canada's Best Managed Companies is one of the country's leading business awards programs recognizing Canadian-owned and managed companies for innovative, world-class business practices.

Founded in 1997, Noralta Lodge was created on the philosophy that remote workforce accommodations should focus on the needs of the guest as much as the needs of the client. Now in its 20<sup>th</sup> year of operation, Noralta Lodge is Alberta's leading provider of remote accommodations for thousands of hardworking men and women in the oil and gas industry.

Now in its 25<sup>th</sup> year, Canada's Best Managed Companies is one of the country's leading business awards programs recognizing Canadian-owned and managed companies for innovative, world-class business practices. Every year, hundreds of entrepreneurial companies compete for this designation in a rigorous and independent process that evaluates the calibre of their management abilities and practices.

This year, while many competitors were closing facilities, Noralta Lodge is growing. It saw a 46% increase in our inventory in 2017 alone and the company's ambitious and well executed strategy paid significant dividends with over \$1 Billion of contracted revenue being awarded to Noralta Lodge.

"It's an incredible honour for Noralta Lodge to be recognized as one of Canada's Best Managed Companies," said Corey Smith, President & CEO, Noralta Lodge. "We've proven that we can meet our clients' needs while meeting their financial requirements in this new economic reality and all of this is done without sacrificing quality or community engagement, thanks to the tireless efforts of our team members. This award is a testament to our team's commitment to excellence."

"It's much more than just financial performance," said Lorrie King, Partner, Deloitte and Co-Leader, Canada's Best Managed Companies program. "The ingredients to success also include overall business performance and sustained growth. It takes dedication and commitment from the entire organization."

2018 winners of the Canada's Best Managed Companies award will be honoured at the annual Canada's Best Managed Companies gala in Toronto on April 11, 2018. On the same date, the Best Managed symposium will address leading-edge business issues that are key to the success of today's business leaders.

The Best Managed program is sponsored by Deloitte, CIBC, Canadian Business, Smith School of Business, TMX Group and MacKay CEO Forums.
